We are very excited to announce that the Paulding Exempted Village Schools has partnered with ‘**Final Forms**’, an online forms and data management service. Final Forms allows you to complete and sign enrollment, back-to-school and athletic participation forms for your students. The most exciting news is that Final Forms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! Final Forms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

Click on the Parent Playbook to get started in Final Forms. If you require any support during the process, scroll to the page bottom and click “Use Support”.

We are asking that ALL parents use Final Forms.

Please register at: <https://paulding-oh.finalforms.com> or on our website under the ‘Parent Links’ tab and follow the prompts to create your account, register your students and sign your forms.

Note: If your student is NEW to the district (kindergarteners and transfers), please be sure to click the “New to District” checkbox when registering your student.

Thank you for your assistance in streamlining our paperwork processes at Paulding Exempted Village Schools.
