PARENT INFO

All Students regardless of status receive free breakfast and lunch through the 2021-2022 school year. This is due to the USDA extending nationwide waivers, to ensure all students receive a healthy meal.

*Daily alternate tray options:

There will be no alternate tray option for Elementary until further notice. This is due to food shortages with our supplier.

*Fruit and Veggies:

Fruit option will include canned as well as fresh fruit choices. Along with the main veggie listed, Café will also offer and rotate the following fresh veggies daily; broccoli, cucumber, celery, grape tomatoes, baby carrots, etc.

BREAKFAST

IN THE CLASSROOM

All elementary students receive free breakfast, to eat in their classroom. Eating a healthy breakfast improves behavior, test scores and mental focus. If you have any questions or comments please email: h_dangler@pauldingschools.org

Breakfast includes: 2 grains or 1 grain + 1 meat/meat alternative, 100% fruit juice and/or fruit, and milk. Any unopened items a student does not wish to eat is put into a share bag in their classroom. This allows another student the opportunity to have a second helping if they are still hungry.
