ATTENDANCE POLICIES AND PROCEDURES

The attendance policy is on our school website and on the Final Forms website.

Attendance Awards

Students with outstanding school attendance will be recognized at the end of the year. Days absent for any reason, even when the absence is excused, will be counted as an absence for a perfect attendance award. Students on a school field trip will not be counted absent

Leaving During the School Day

Permission to leave during the school day, for any reason, must be secured from the Principal. Students who leave **MUST** sign out in the middle school office, and sign back in if they return during the same school day. *No student will be allowed to sign out without parental permission, regardless of the student's age.* If a student must leave school due to illness or emergency, parents will be notified at once. Permission must be granted by parent/guardian for the student to leave school. Failure to comply with these rules may result in a charge of truancy.

Any student who will be leaving school during the day due to a scheduled appointment must present a note (signed by parent) to the office in the morning before school. The note must state the nature and time of the appointment, and a parent signature.

We urge parents to put forth every effort to schedule medical, dental, and optometric appointments outside of school hours whenever possible.

We do not operate a medical clinic at school. If a student is ill, a parent may be called for permission to go home. Any student who is ill and does not notify the office of his/her whereabouts will be subject to disciplinary action.

Tardiness

Promptness to class is very important. A student is tardy when he/she fails to be in the assigned class when the bell rings to begin class. If you are tardy to school, you must sign in at the office and receive a Tardy Slip. Excessive tardies will be considered truancy.

After the fifth tardy to school each quarter, you will receive a Prime Time Friday assignment. Failure to serve the Prime Time Friday assignment may result in a suspension from school. Excessive tardies will be considered truancy. The classroom teacher will handle classroom tardies. After the fifth tardy to class each quarter, you will receive a Prime Time Friday assignment from the Principal. Failure to serve the Prime Time Friday assignment may result in a suspension from school.

DISCIPLINE

At Paulding Middle School, all students are required to behave in a socially and legally acceptable manner at all curricular and extracurricular activities. Violations of school rules will result in disciplinary action. The Paulding

Village Police and/or other law enforcement agencies may be called when a student has violated a law which governs the citizens of Paulding, Ohio. Students who choose behavior which violates the rules of our school will face the consequences of their actions. In addition, students who damage property, either accidentally or on purpose will be held responsible for paying for the damage.

Disciplinary action(s) may include:

1. **Denial of Privileges:** Students have many opportunities to participate in activities in addition to the regular school curriculum. Privileges will be denied if students fail to adhere to the Code of Conduct. Students may be removed from participation in, or attendance at, extracurricular activities.
2. **Detention:** As a correction for misconduct, the Principal, or a teacher may assign a detention to any student. The student will be required to stay after school or come before school for a designated amount of time. Lunch detentions may also be assigned; students will eat lunch in an assigned room or area. Detentions are handled by the teacher or administrator who assigns the detention. Detentions will be a study time with no sleeping or talking. A student who skips a detention will have the punishment doubled and/or receive a Prime Time Friday assignment.
3. **In-School Detention:** The Principal may assign an In-School Detention to students. The student will be removed from class and will spend the time in the office. School work may be made up.
4. **Justified Removal:** Emergency removal from a class will place the student temporarily in the In-School Suspension room. The student will be unexcused from the class he or she misses.
5. **Time Out:** Emergency removal from class for more than one class period. The student may be unexcused from the class missed.
6. **After school Detention:** The Principal may assign a student to additional school time on Wednesdays from 3:00 – 5:00 p.m. Students must bring materials to study, and be prompt. Non-attendance at an assigned in-school suspension may result in suspension from school.
7. **Synergy:** This suspension results in the denial of participation in the student's regular classes, or any school activity for that day. The Principal will assign the student to be monitored at the WBESC Opportunity Center in Van Wert. Students will have transportation

provided and leave at 7:45 and return by 3:00 PM

- 8. In-School Suspension:** This disciplinary action results in the denial of participation in the student's regular classes, or any school activity for that day. The Principal will assign the student to a monitored room where he or she will spend the school day studying and working exclusively on school work. Credit for school work is given while the student is assigned to I.S.S. The student will also eat lunch in the In-School Suspension room.
- 9. Out-of-School Suspension:** This suspension results in the denial of attendance and participation of any school class or activity. A student may be suspended for one to ten (1-10) days at a time by the building Principal. Progressive suspensions may be given to students who habitually or continually violate our school rules.

This penalty is considered very serious because days missed out of school due to a suspension are considered unexcused days. In the event that an out-of-school suspension is necessary:

 - a. Parents will be notified.
 - b. Credit will be given for schoolwork on the days of suspension.
 - c. The student may not attend classes or any school activity or function.

participate in competition with other schools (e.g.: Quiz Bowl, Science Olympiad, and FCCLA).

We are proud of the athletic program that is offered to our students. Being a part of that program is an honor and a privilege. Coaches and administrators have the right to deny this privilege to students if the student's actions or behaviors warrant removal from the team or event.

School Activities

The Board of Education, faculty, and staff recognize that a complete extracurricular program is an important part of a quality educational experience for students. Your school provides many opportunities for you to participate in a group, club, or team of your choice based on your interests and abilities. Participation in extracurricular activities is a privilege of every student, and excellent behavior is expected as you represent our school. Advisors/coaches and administrators have the right to deny this privilege to students if the student's actions or behaviors warrant removal from the team or event. In order to participate in any extracurricular activity, a student must be in attendance for a minimum of four full periods of school that day.

Computers and Technology

As a member of the NOACSC, Paulding Middle School is able to provide its students Internet access, connecting computers all over the world. Along with the privilege of accessing the Internet, goes the responsibility of following strict guidelines of proper conduct and use.

Paulding schools reserve the right to limit access to materials on this network which may not have educational value within the school setting, and have taken available precautions to restrict student access to inappropriate materials.

Use of the NOACSC network is a privilege, not a right. Students and parents must sign an agreement acknowledging the Guidelines for Acceptable Use before students are allowed to use the system. Any violation of this agreement, or the rules governing the use of computers of the network will result in denial of privileges.

Basic Rules of Technology Use:

1. Do not gain or attempt to gain access to someone else's account or files.
2. Do not write, obtain, or pass on any swearing, vulgarities, suggestive, pornographic, obscene, or threatening language or material.
3. Do not send or pass on any rumors or use the system to annoy or harass others.
4. Do not search or visit sites that may be considered by school personnel to be pornographic, dangerous, or inappropriate.
5. When using the computers, terminals, network, or other school equipment, students must follow the teacher's direction and/or school policies.

School Bus Rules for Students

With nearly 1400 students riding over 20 buses daily, it is important that a common set of rules for safety be maintained. The safety of students while riding the bus is a tremendous responsibility. The PEVS safety record is an enviable one, and we hope that students and parents will join us in keeping it that way.

Ohio laws do not require that any Middle School student be transported to school by bus. Since riding the school bus is a privilege, each student is obliged to read and obey the following regulations to insure his or her safe and orderly transportation:

1. Parents are responsible for the safety of pupils before entering and after exiting a bus. The bus arrival time before and after school may vary from day to day.

2. School employees will not enter disputes involving parents and students prior to pickup, or after return from pick-up points.
3. Busses operate on a time schedule as outlined by the Transportation Supervisor. The schedules do not allow enough time to wait for tardy students. Students must be at the bus stop before the bus arrives.
4. Students must cross all roadways at least 10 feet in front of the bus.
5. All passengers must maintain absolute quiet while at railroad crossings.
6. Pupils will ride assigned buses only.
7. One stopping place per family is all that is allowed. This means that all children must be dropped off and/or picked up at the same stop each day. The Transportation Supervisor must authorize any changes.
8. Discipline procedures that go beyond the bus driver will be handled according to the policy of the building principal.

In addition to these Safety Rules, a set of 11 Rules of Conduct has been established for students while on the bus. These rules, which are posted on the bus, are to insure that courtesy and order are maintained.

- Observe the same code of conduct as in the classroom.
- Students must be courteous to the driver and other students.
- No profane language will be tolerated.
- No eating or drinking is allowed while riding the bus.
- The bus must be kept clean.
- Cooperation with the driver is required.
- No smoking or tobacco use is allowed on the bus or at the bus stop.
- Destruction of property is forbidden. Parents will be responsible for any damage inflicted on a bus by their child.
- Students must be in their seats while the bus is moving.
- Heads, hands and feet must be inside the bus at all times.
- The bus driver is authorized to assign seats.

Athletes must have two copies on file; one in the Principal's office and one in the Athletic Director's office.

Work Permits

Paulding school district residents ages 14-17 need to have work permits on file if they are employed. Work permit application forms may be picked up in the high school office. Completed forms are to be returned and a Birth Certificate or Baptismal Certificate is to be presented. A work permit will be prepared and presented to the student, or mailed to the workplace.

Emergency Drills

FIRE DRILL: Know the exits from all rooms in which you might be attending classes. Our aim is to leave the building in a quiet and orderly fashion and in a minimum amount of time. The first student to reach an exit door should hold the door open until the group is out. Exit without excessive noise and with no running or shoving.

TORNADO DRILL: Learn the procedures for a tornado drill in each of your classrooms. As a general rule, inner halls and locker rooms are the best place to be. Stay away from doorways and windows. Students should crouch on their knees, and cover their heads with their hands.

EVACUATION DRILL: In the event of a threat from inside the building (explosive, chemical spill, etc.) students will exit the building quickly and quietly following the same procedures as the fire drill.

SAFE SCHOOLS DRILL: In some cases, a danger may be present from within the building (hostage situation, intruder alert, etc.). Students are to remain in, or go to, the closest classroom. Teachers will close, secure, and cover all exterior doors and windows and move students away from the exits.

ALICE DRILL: This drill is included in the **Safe Schools Drill** and is a process of removing students in the event of a threat within the building determined by the location of the threat. Teachers will provide specific instruction on the appropriate procedure to follow in situations where students must be secured in their building rather than evacuated.
