Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child’s classroom teacher in a school receiving Title I funds. The federal “Every Student Succeeds Act” (ESSA) requires that any school receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student classrooms teachers, including at a minimum, the following:

- I. Whether the teacher has met State qualification and licensing criteria of the grade levels and subject areas in which the teacher provides instruction;
- II. Whether the teacher is teaching in the field of discipline of the certification of the teacher;
- III. Whether the teacher is teaching under emergency or other provisional and, if so, their qualifications;
- IV. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

You may ask for the information by returning this letter to the address or fax number listed above, or by email to k_amstutz@pauldingschools.org.

Be sure to give the following information with your request:

Child’s Full Name _____
Parent/Guardian Full Name _____
