The Principal's Corner

WOW!! It is hard to believe; but as I write this newsletter, we are already celebrating the 100th day of the 2019-2020 school year! Day 100 is a very special day in our primary wing – lots of special activities involving counting to 100 to commemorate its arrival!!

We are now halfway through the third quarter of the school year. Please keep encouraging your child to give his/her best effort on all school work, both in class and on homework. Your support of your child's education fuels his/her success and sparks the desire to do better and better.

Ohio State Testing Dates:

- Gr. 3 and 4 – ELA (Mar. 25-26)
- Gr. 3 and 4 – Math (Apr. 21-22)
- Gr. 5 and 6 – ELA (Mar. 31-Apr.1)
- Gr. 5 and 6 – Math (Apr. 23-24)
- Gr. 5 – Science (Apr. 28-29)

Please mark these dates on your calendar. We appreciate the effort you make to avoid appointments and vacations on your child's testing dates. Please let us know right away if there is an unavoidable reason your child will not be in school when his/her classmates are testing.

Always call the office when you have questions or concerns about school. We will be more than happy to help! 419-594-3346
